

Diving the Graveyard of the Atlantic

The Atlantis IV is a 46' Carolina Sport Fishing style boat. We offer dive charters to the wrecks of NC. With over 30 years of charter experience we have built a reputation for offering the most comfortable diving experience in our area.

A majority of our groups are repeat customers: some have over 20 years of annual charters with us. Over the years we have made it a priority to maintain and upgrade the boat with both safety and comfort in mind.

- We carry 6 passengers
- Our crew is very experienced
- The Atlantis IV is 46' long and 16' wide
- Twin Caterpillar engines
- Full-time generator for all day power

Diving Highlights

NC is famous for natural environment shark dives and shipwrecks. Also popular are reef dives and spearfishing, including lionfish and lobster.

With the proper experience we can travel to less often visited locations and accommodate a variety of equipment configurations.

We also run fishing charters!
